Sir:

The undersigned counsel for Assignee hereby petitions to have the holding of abandonment in the above-identified application withdrawn based upon the accompanying Statement of Counsel and docket evidence showing non-receipt of the Notice to File Missing Parts dated December 3, 2001.

Counsel believes that no fee is required for this petition, based on the Patent Office notice attached to the back of the Notice of Abandonment (copy enclosed). If, however, it is determined that a fee is appropriate, please charge such fee to Deposit Account 20-1430. A copy of this sheet is provided for such purpose.

Statement of Counsel

During a routine file review, an employee in this law firm discovered that no filing receipt had been received in this patent application.

Therefore the undersigned provided a Power to Inspect/Copy, authorizing personnel from Landon Stark to personally go into the Patent Office and review the file history for the case. They determined that an official Filing Receipt, accompanied by a Notice to File Missing Parts, had been mailed to the law firm address of counsel. After a thorough review of the file wrapper of the application and firm docket records for that time

period, it became apparent that the official Filing Receipt and Notice to File Missing Parts, dated December 3, 2001, were never received by counsel's office. This is evidenced by three dockets, generated directly from the central docket system of the law firm, for the dates of February 3, 2002 (the due date for response); March 3, 2002 (an extended due date); and April 3, 2002 (another extended due date). Copies of these dockets are attached.

Counsel notes that the events involving this file took place in proximity to the events of September 11, 2001, and the papers lost from the PTO en route to the undersigned may have been lost in conjunction with the events of that time period.

Based upon such evidence, counsel believes that the Notice to File Missing Parts was in fact never received by counsel's office, and that the holding of abandonment should be withdrawn based on failure to receive an Office Action.

Respectfully submitted,

Robert C. Colwell

PART 2 - COPY TO BE RETURNED WITH RESPONSE

Respond to the Notice of Abandonment by one of the following:

Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I) and 37 CFR § 1.181) No fee required

Where an applicant contends that the application is not in fact abandoned (e.g., there is disagreement as to the sufficiency of the reply, or as to controlling dates), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181, to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f).

In order for a petition to be granted, the evidence must be sufficient according to one of the following standards:

- 37 CFR § 1.8(b) Certificate of Mailing
- 37 CFR § 1.10 "Express Mail" mailing
- MPEP 503 Postcard Receipt as Prima Facie Evidence

Petition To Withdraw Holding Of Abandonment should be addressed as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Mail Stop: Issue Fee, Alexandria, VA 22313-1450

By facsimile: 703-305-8755 or 703-305-4372

Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (See MPEP 711.03(c) II). No fee required

Where an applicant contends that the original Notice of Allowance and Issue Fee Due was never received. If adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
(Mark attention of a particular office or individual)

By facsimile: Technology Center numbers posted at <http://www.uspto.gov/september1/faxnotice.htm>

Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)

Where there is no dispute as to whether an application is abandoned (e.g. the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) unavoidable or (b) unintentionally (accompanied by the appropriate petition fee) is necessary to revive the abandoned application.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450

By hand: Crystal Plaza 4, Rm. 3C23, 2201 Clark Place, Arlington, VA

By facsimile: 703-308-6916

Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a) and Unintentionally Under 37 CFR 1.137(b), forms available at USPTO website – <http://www.uspto.gov>

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment.
